The Show

The 12th Annual Experience Idaho Expo, April 28, 2018 at Expo Idaho, highlights businesses right here in our great state. As you know, Idaho offers a great mix of urban living and outdoors. Guests can explore all those resources available to them in one place at the Experience Idaho Expo. *We created this event to introduce newcomers and native Idahoans to the best products, services and activities that they can experience in their own state, a true sample of Idaho products & services.*

The Experience Idaho Expo is a tool and channel to transform your daily life and learn how to appreciate all that the Treasure Valley can offer.

As a recognized leader among your peers, we invite you to participate with us in this Experience Idaho. Share your business with Idahoans looking for the best choice for their family or business. Experience Idaho, a fun, hands-on informational event, **attracts “heads of household” decision-makers** who buy local products and services for all members of the family. Experience Idaho is held concurrent with the Family Pet Expo, Kids Fun Fest and Girls Day Out.
