We invite you to join us at the Idaho Business & Technology Expo February 9, 2018  
Exhibit, Present a Seminar or Both.

#### WHAT IS THE IDAHO BUSINESS & TECHNOLOGY EXPO?

**BizExpo is celebrating 27 years of connecting leaders to resources, creating lifetime relationships and unrivaled solutions, making this a must attend event for all local businesses.** The program includes educational exhibits, seminars, workshops, and relaxed networking. If you target small and mid-sized business owners, exhibiting at BizExpo makes great marketing sense. Relationships created over the years at BizExpo withstand all the uncertainties of economies both local and national. BizExpo merges resources with local community business needs. Your competition will be there . . . will you?

#### WHO ATTENDS?

Small business owners, entrepreneurs and executives from various industries attend BizExpo looking for the latest locally available technology and business applications. They want to meet with the pro's, view dynamic displays, attend educational seminars, interact in live demonstrations, and initiate long lasting mutually beneficial relationships. Exhibitors know BizExpo is the only Idaho event at which they may make contact with decision-makers from both the public and private sectors. 63.3% of guests identified at company decision makers!
